## Year 3 and 4 Exploring Forces with Technquest

Can you hit a bullseye on a dartboard? How can magnetism help us move? How does friction help in sport?

Pupils investigated and explored all these real life applications of forces ô how they can help and hinder us ô in a fun, interactive show from Technquest on Thursday.

Through hilarious investigations, Shelley, Byron and Milton found out the answers to these questions and even got the chance to ride on a hover-board! It was an amazing day with impeccable behaviour and fun learning had by all the children. See school website for more pictures.

Year ahead  
2017-18
