## Ready to launch?

This October and November the NSPCC need you and your teammates to run 50km on Earth during our daily mile to smash a fundraising target, so that together we can (virtually) reach the moon.

We have measured the yard and by doing 10 Laps every day throughout October and November you would have run 50km which will contribute to the NSPCC's overall target of 384, 400 km WHICH IS THE DISTANCE FROM WALES TO THE MOON.

On our last mile to the moon we will have a fun day where children will be asked to come in fancy dress with a donation for the NSPCC (date to be confirmed).

You can track your progress by keeping an eye on the rocket display outside Mrs Stead's classroom.

So come on Fairfield no more walking let's get fit for a very good cause--- and you can tell everyone that you RAN TO THE MOON!!!!!!

*“Sully Sports FC has had a strong link with Fairfield over the past few years and would like to invite boys and girls from Year 1 and Reception to come and join in our U6 football sessions on a Sunday 10am at Burnham Avenue. It costs £2 a time and you can just turn up and play. If you require any further info please contact Rhys Nadin on 07775 644371 or [rnadin@hotmail.co.uk](mailto:rnadin@hotmail.co.uk)”*
