Walking Bus

This term we will be trialing a Walking Bus initiative which allows parents to drop children at a point in the school's local area before school starts so that a number of children can be walked to school together, ready for the start of the day.

This will support children's fitness, as well as reducing traffic congestion around the school gates, therefore improving the children's safety.

We would like suggestions from parents as to where would be suitable drop off points (and no, we can't pick up outside everyone's house!)

We would also like volunteers to walk the bus to school, so please let us know if you can help with this initiative. Please email or contact the school office.

Attendance

16/10 ó 20/10

Attendance continues to be a focus for Fairfield. Here we will celebrate the highest attendance for the week! But only focusing on those of 98% and above.

Update Contact Details

We have noticed on the evolve forms which have been coming in to school recently that many children's contact details have changed during the last year. We would remind parents/carers to notify the school of any change of address, telephone number etc. This can be done easily on the Update Contact Details form on the school website at the following address: -
