Great Fire of London

After sharing their models with parents and carers, Year 1 and 2 were thrilled to welcome Penarth Fire Service on Thursday afternoon of last week who helped make sure that the 'Fire of London' was kept under control and safe for the onlookers! 1666 London Town was created in the playground and the spark was started. The children and staff were amazed as the houses caught alight and the well timed gust of wind demonstrated just how the Great Fire spread so quickly all those years ago. This was a wonderful way to complete the topic of 'Remember-Remember' and the children loved it!

After Christmas, on the 20th and 27th of January, we are looking for some help to tidy up our conservation area. School will be open from 10am until 2pm on both days and we would really appreciate any help. We will be clearing the pond, mending some bird boxes, creating storage etc. The long term aim is create an outdoor classroom that the children can access all year round. Further details will follow in January.
