We're So Proud!!

What a week it has been! A week of pride and recognition of the strong community we have here at Fairfield. The children have been a shining example to our visitors of all that makes our school so special and we are so proud of them. They were enthusiastic about their learning, well-behaved and great ambassadors in how they welcomed them to Fairfield. The inspectors expressed their thanks for all they did to help them throughout the week. They also want to relay their thanks to you as parents, for taking the time to share your views of our community. I would like to support this acknowledgement of the input that you have had in our school and all staff are truly grateful for the messages of support and actions that we have seen this week.

The outcome of the inspection visit is confidential until the report is received in April. Until then I would like to say diolch to all of Fairfield community for all you do to continue to make our school the positive learning environment it is. You have all made us proud. I would personally like to recognise the commitment the staff and Governors continually show to ensure the children's learning experience at Fairfield is a valuable and enjoyable one.

Well done to you all! Diolch!

Ms Lewis

Week ahead  
12/02 ó 16/02

- 12<sup>th</sup> Feb –
- 13<sup>th</sup> Feb – School Nurse – Reception screening  
Rugby team at Cogan Leisure Centre
- 14<sup>th</sup> Feb –
- 15<sup>th</sup> Feb – MAT  
Drama workshop at Stanwell  
Netball Team –  
Cogan Leisure Centre
- 16<sup>th</sup> Feb – Half term next week

Attendance

05/02 ó 09/02

Attendance continues to be a focus for Fairfield. Here we will celebrate the highest attendance for the week! But only focusing on those of 98% and above.

**There are no classes with attendance of 98% and above this week. This is primarily due to chickenpox in the younger classes and winter bugs throughout the school. Let's all get better soon !**

Please be aware that, if you do not provide an explanation for your child's absence, this will be recorded as unauthorized

**Budding Engineer in  
Dosbarth Byron**

One of Mrs Stead's pupils brought in a crane he had made at home to show us. It was a fantastic feat of engineering. Well done !

We will be selling daffodils in aid of Marie Curie from Monday 12<sup>th</sup> February. We would suggest a donation of £1 per daffodil for this very worthy cause. Thank you.
